AOCOPM News

News Brought to Your Attention: Aspirin

[The USPSTF now recommends giving aspirin to asymptomatic pregnant women at increased risk of preeclampsia.](#)

[USPSTF to update guidelines for adoption use in cardiovascular disease prevention and colorectal cancer prevention.](#)

Spirometry

[Practical considerations for spirometry during the COVID-19 outbreak: Literature review and insights](#)

Need more information on spirometry? Dr. Carl Werntz will be presenting a lecture and case studies on Spirometry at the upcoming Annual Educational Conference held in Conjunction with OMED.

Annual Educational Conference in Conjunction with OMED

OMED Conference details: <https://omed.osteopathic.org/>
AOCOPM's awesome schedule begins on page 22 of the [Program](#).

Basic Course in Occupational Medicine, Part I

Part I of the Basic Course will be offered Thursday, October 21, 2021, Central Standard Time live via Zoom. Note that you will need to download the free Zoom app to participate virtually. After registering, you will receive emails with Zoom instructions and links to the course handouts. https://aocopm.memberclicks.net/index.php?option=com_mcform&view=ngforms&id=2095247

AOBPM Longitudinal Assessment is NOW OPEN!

The American Osteopathic Association announced plans to transition The American Osteopathic Board of Preventive Medicine away from the traditional 10-year high-stakes recertification exam to a longitudinal assessment model for Component 3 of Osteopathic Continuous Certification (OCC).
