

Eric Schaub, M.D., MPH, FAOCEM, is Medical Director of the Seafarers Health and Benefits Plan. The Seafarers Health and Benefits Plan is a joint union-company benefits plan for the Seafarers International Union, the largest North American maritime union, and the major maritime employers who contract with SIU. He focuses on mariner fitness for duty and maintaining a healthy mariner workforce. He has served on advisory committees to the U.S. Coast Guard. He is board certified in Occupational Medicine and Internal Medicine.
